Hello DXers

The SCDXC Annual picnic is right around the corner. The picnic will be held at Woodley Park in Van Nuys on June 2nd, 2019, it will be a lovely Sunday afternoon with friends.... We have volunteers to cook and help... The club will provide the hamburgers, hot dogs, chicken and beverages. We are asking those attending to bring a side dish – salad, dessert, chips. Let's have a great turnout. We will not have a June meeting, I read the By-Laws and the meeting is optional. June will have only the picnic..

The 2020 International DX Convention will open hotel reservations on June 17th at 10:00 am. You will be dealing with the hotels directly, please check the IDXC convention website for the password.

The kickoff meeting for the 2020 IDXC committee will be Saturday, August 10th. Details of the location will be in the July newsletter. Cathy Gardenias K6VC and I hope to have a great turnout to make this year the best ever. See everyone at the picnic on June 2nd!.

Best of 73!

Kris Jacob

2019 SCDXC President

Rumors on the Band

June is a fairly benign month. With the exception of 6 meter sporadic E season the bands are getting noisier and signal levels diminish through summer. Typically the number of new marathon entities worked during that season falls off until September. Nevertheless there is DX to be had!

Make sure you check your favorite websites for up to date DX announcements. Here are two good sites:

Membership

Cathy Gardenias, K6VC, our Treasurer and Membership Chairman, reports that the current membership stands at 142. If you have not paid your dues please consider doing it as soon as possible. Furthermore, if you know past members who have not renewed please encourage them to do so. It is the bottom of the sunspot cycle and there is an expectation that some will drop out until propagation improves in combination with the age demographic which June indicate some will not return.

In any event we need to increase our efforts to educate new hams on Dxing and hopefully once again swell the ranks. Anyone up for a series of primers on DXing? Volunteer presenters are invited to throw their hat in the ring!

DX for June

DX Standings

Rumor has it that Sharon Spring, K6IRD has just broke the 300 entity ceiling! A little Larry bird hinted that she will be submitting her new confirmations to John, N6QQ, this meeting. Look for a formal announcement soon!

Bill Shell, N6WS, reports that he has 233 entities worked on FT8 What's more, he has 219 confirmed with DXCC on 4 bands so far. Finally, Bill reports that confirmation for zone 40 on 80 meters is on its way! That will place Bill at 200 zones, the top of 5BWAZ,.

The WAZ standings have been updated. Please check and make sure your numbers are correct. If you are a member and do not see your WAZ standings drop me a note with the numbers.

Send any updates to:
N6RV@SCDXC.org

SCDXC WAZ and DXCC Standings

The first WAZ column is the confirmed zone count on 10 bands 160 - 6 (less 60 meters). The second column is the regular 5BWAZ confirmed count. The following are the codes that follow the two columns and indicate the awards:

M **Mixed**
P **Phone**
C **CW**
R **RTTY**
5 **5 Band**

The first DXCC column is the confirmed entity count with deleted countries. The second column is the confirmed current entity count. The third column is the challenge slots.

The members highlighted in **Red** are at the top of the Honor Roll. Those in **Blue** are on the Honor Roll

May produced only 4 new entities for the club, C9, FW, J8, OJ0. The Wallis Island DXpedition has been very active and easily worked on all bands. The ClubLog Leaders worked 2 new entities, FW and J8. It seems as if things are slowing down as far as new entities however there have been some good openings! This is expected. We are approaching the summer months.

The ClubLog top leader, K9RX has worked 249 entities while SCDXC leader, Kent Olsen, N6WT, has 221 entities. In general this year is not so bad for the bottom of the sunspot cycle.

Two members have exceeded 200 entities worked with another three heading there. 17 members have worked DXCC this year with another 2 closing in fast.

Six Meter sporadic E season has begun. There was a weak season opening earlier this year. The next few months should yield several new entities for the year and, if last year is an indicator there should be some new ones on the band! So far members have worked 11 entities this year: CO, JA, K, KH6, KP4, PY, TI, VE, XE, YV, and ZF. Mark, K6FG is leading the pack with 9 entities worked.

160 Meters standing is static. The slots worked by members has also increased significantly.

Since the newsletter came out early this month the CQ WPX CW contest is not counted in the May totals. It will be interesting to see how the numbers change next month!

2 Alpha 87a 1500 watt amp

full output on all bands.

ser # 91190053

w/box and manual.

Comes with Alpha Power remote software..I never tried it.

I purchased this amp used in 2007 hoping to get back on the air.

Sat in box for 12 years.

I never used it as my HOA said no radio.

Very low hours.

Great amp for someone not wanting to spend \$6500 or more for a new amp.

\$2995 obo ..pickup only in RPV area.

1 Alpha 87a 1500 watt amp

full output on all bands.

w/box

I purchased it from a local ham who almost never used it.

Excellent condition..

very minimal paint chips.

Was back to Alpha for a minor repair in 2008,and almost no use since then.

Can supply a copy of my other manual.

Pickup only in RPV area.

\$2995.00 obo

Used Force 12 C3-SS 10/15/20M Yagi..works on 12/17 with a tuner.

Works great.

Retail new \$1229.00
